GARDENING TIPS by John Morgan

Apple trees should be pruned now before the spring buds open.

Stay off frosted grass as it will turn yellow and soon be muddy.

Spring bulbs are coming up early this year so if we have late snow on the blooms and tree blossom - brush it off to keep the petals from burning.

WORLD WAR 1 CENTENARY COMMEMORATIONS

Many of you will have read the small booklet that I wrote for the unveiling of the War Memorial in 2006, either at that event or at the Heritage Centre's commemorations. However. centenary more information becomes available all the time especially the publishing of the 2011 Census so I thought it would be good to commemorate the centenaries of each of the men who lost their lives.

This month it's William John Newbury.

William was born 1894 at Bridge Street Dulverton to John and Elizabeth with a brother Henry and sisters, Ann, Mary, Maud and Lily. Subsequently the family moved to Rosemary Lane and by 1911 William was working as a gardener.

William joined the Devonshire Regiment going to India in early 1914 stationed near Lahore and then he was sent to Mespotania in April 1914. He became a Lance Corporal but died of his wounds on 24th January 1916 and is buried at the Kut War Cemetery. Several of you will remember his sister, Lily Webber, whilst his niece is still living in the area.

EXMOOR PHOTOGRAPHERS

Exmoor Photographers is a group of friends and a growing network of enthusiasts who enjoy taking photographs, making digital images and sharing information and ideas.

This is not a traditional camera club. We mainly meet on-line and when we do get together, we don't do 'meetings', we have fun. All subjects, all types of image, every kind of photographic device, all forms of processing - or none - are equally valid.

It's the image that counts.

We call ourselves Exmoor Photographers because we live in and around Exmoor but we photograph life, however and wherever we find it. Beginners, professionals and everyone in between are welcome. One of the many things that makes us distinctive is that we offer safe encouragement to young photographers and encourage their use of mobile phone cameras and free apps. We will be running workshops for young people on photography and digital art. We will also be organising photography outings, exhibitions and occasional talks and tutorials.

Visit our website www.exmoorphotographers.org.uk and for further information contact alan@alanjonesimages.com

THE SIMONSBATH FESTIVAL NEWS...

2015 was a good year for Simonsbath Festival with lots of well attended events taking place between our now established Festival dates of May Day and Midsummer! 2016 will be our 5th anniversary and we're very pleased to have been able to make donations to a variety of local and worthy causes over the past four years.

In our first year 2012, Simonsbath Festival made a financial donation to the Beacon Centre Cancer Unit at Musgrove Park hospital. The Festival also made a 50% contribution to the sound system in St Luke's church (matched by the Diocese of Bath and Wells). In 2013 a donation was made to the Exmoor Search and Rescue Team and in 2014 the Royal British Legion South Molton branch benefited. We presented a maypole to

the children of Exford School and arranged for May Day activities for local children. In 2015 a donation was gratefully received by the West Somerset Food Cupboard.

We also established a project to revive interest in and knowledge of the traditional music and songs of Exmoor. "Songs from the Exmoor Forest" was supported by the Heritage Lottery Fund and has involved music workshops in local schools culminating in community concerts and in 2015 the workshops were run by local popular folk and traditional entertainers Tom and Barbara Brown.

It is our intention to continue to gift money and support projects from the proceeds of Simonsbath Festival. Please help us to achieve this by supporting your local annual Festival - see our new website www.simonsbathfestival.org.uk for info of the 2016 events and become a Friend of the Festival (email friends@simonsbathfestival.org.uk for further details).

We look forward to seeing you at Simonsbath Festival at events from May Day to Midsummer!!

SIMONSBATH FESTIVAL

The Simonsbath Festival is calling for West Country artists to submit 2-D work for next year's Art Exhibition. The theme of the exhibition is moorland and coast, its wildlife, culture and landscape and it is open to all artists. If interested in submitting work, please contact Sandy on 01643 831844 or

artexhibition@simonsbathfestival.org.uk

The Art Exhibition is part of the Simonbath Festival that runs from May Day to Mid Summer night 2016. The Festival is now in its fifth year and is firmly established in the Exmoor Calendar.

Last year the exhibition attracted work from 23 West Country artists, many of whom are based on Exmoor and its fringes. The 66 pieces of work shown were varied, interesting and all related in some way to wild moorland landscape, its wildlife and culture, or the rugged North Devon coast. There were watercolour, oil and acrylic paintings on show and a number of prints, both framed and unframed. Artists exhibiting included printmakers Julian Witts, Luna North and several

from the Dartington printmakers Group and painters including Jo Minoprio, Judith Westcott, lain Biggs, Chris Howe and Lucy Pearn. In addition, there were some stunning photographs by Nick Simpson. All the work was for sale, many pieces at very reasonable prices, making original art accessible to everyone.

The exhibition is held in Boevey's Tea Rooms, in Simonsbath, right in the very heart of Exmoor and is surrounded by stunning, wild landscape. Red deer are often to be seen grazing on the hillside opposite the Tea Rooms and birds of prey hunt along the edge of the River Barle. The Tea Rooms provide a great venue. Tempting, delicious cakes, light meals and possibly the best coffee available on Exmoor are all on offer, which adds to the pleasure of the Art Exhibition. What could be better than eating cake and looking at art? You could make a day of it and take a walk along the River Barle or Birch Cleeve Woods after visiting the exhibition.

DULVERTON PLAYERS presents Jack and the Beanstalk

Dulverton Players are a cosmopolitan bunch. They come from Brushford and the Ansteys, from Exford and Withypool, and from the end of lanes so remote that they don't even merit a name. Through frost, flood and flu they battle on to bring living theatre to the Dulverton Town Hall at least three times a year.

This season's programme opens with an all-singing, all-dancing pantomime with a cast of thousands – well, over twenty, anyway. "Jack and the Beanstalk", which will run from April 6th to April 9th, features not only The Players' regular team of actors but a dozen local young people who are treading the boards of the Fore Street stage for the very first time.

Carol Jones, who played Cinderella in the Players' last pantomime, reappears

as the beautiful Princess Demelza. Banger Milton, joint-master of the Dulverton Farmers Hunt. swops her breeches for principal boy tights as our Jack hero, Trott. Heather Hodason, who first appeared at the Town Hall at the age of seven, plays kindly Dame Trott. Heather remembers vividly her father. Tom Mackney, producing ten Dulverton pantos in the 1950's. Roger Watts plays opposite her as the bumbling King Bertram. Julian Soltau is intellectuallychallenged as Simple Simon, the cowman.

Tamsin Blackmore and Charlie Blanning, last seen as the miserably married couple in "Private Lives" in September, cross magic wands as Edina, the Eco-Fairy, and Slimeball, the villainous henchman of the Giant Blunderbore. Daisy plays the Cow.

Olga Owen, who is directing her first production in Dulverton, promises a traditional version with all the heroes and villains, singing and dancing, and harmless fun that you expect from a pantomime. She will enjoy the experienced support of Marion Silverlock as co-director and accompanist, and

Nicola Smith as choreographer. Golding, April director of "Fxmoor the Singers", is of in charge the music and Christine Dubery makes all possible backstage.

The Players are planning one of their popular murder mystery for evenings September, This will be followed by another fullscale production in October or November.Early reservations for tickets may be made at the Post Office, or call 01398 323474.

This unforgettable true story chronicles the tumultuous three-month period in 1965 when Dr. Martin Luther King, Jr. led a dangerous campaign to secure equal voting rights in the face of violent opposition. The epic march from Selma to Montgomery culminated in President Johnson's signing the Voting Rights Act of 1965, one of the most significant victories for the civil rights movement. The film tells the story of how the revered leader and visionary Dr. Martin Luther King, Jr. and his brothers and sisters in the movement prompted change that forever altered history.

The Voices of Exmoor choir would like to thank everyone who supported their Christmas and Summer Concerts in 2015. Thanks to your generosity we are pleased to report that we are donating $\mathfrak L1,800$ to both of the air ambulance trusts (Somerset & Dorset and Devon) who provide such vital services to Exmoor - so a total donation of $\mathfrak L3.600$.

We hope that you enjoy our concerts as much as we enjoy our singing and it is an added bonus when together we can raise funds for such worthy causes.

Practices for our 2016 concerts are already underway and we look forward to entertaining you later this year.

GONE FISHING

For many years Trout and

Salmon fishing on Exmoor was a rather private affair, most of the river was owned by private individuals or families and unless vou received an invite a days fishing was rather difficult. Fortunately the situation has changed over the last 10 years or so and access to some good water is straight forward. The Dulverton Angling Association has approx. 7 miles of bank on the Exe and Barle which is good Brown Trout water with a few Grayling and occasional Salmon while the 'Fish The Exe' project lets out Salmon days on some very good water on the Exe from Exebridge down to Bickleigh. All of these waters are available at a minimum cost, DAA membership is only £35.00 per adult and £1.00 for children

These waters are available because the owners recognise that they have a broader responsibility to the general public, public funds pay for some river maintenance, though this is getting smaller and smaller as the years go by, therefore the public should be able to access the rivers, in a responsible, controlled, manner. For more details see dulvertonanglingassociation.org.uk and fishtheexe.co.uk

All fishing in Exmoor's rivers depend on sufficient rainfall during the summer to keep them clean, fresh and well oxygenated, we must be the only group that wants lots of rain during the summer, as we have just had, however its not necessary for it to keep raining after the season has closed, day after day after day. Maybe 2016 will be a better summer for all of us.

Here on Exmoor we live in a Dark Sky area and when we get a clear night there are wonders to view when we look up at the stars. Here are a few sights to gaze at. During March and April the planet Jupiter is the brightest object (other than the Moon) in the night sky visible all night long in the Southeast at about 10pm. Mars rises in the SE but Venus, which in January was the morning star, has now disappeared into the glare of dawn. Of

the constellations Orion, the hunter, is to be seen low in the SW but the Plough, higher in the sky is always in view and has the pointers to the Pole Star. The 20th March is the Vernal Equinox (equal day and night) and marks the end of Winter and the beginning of Spring.

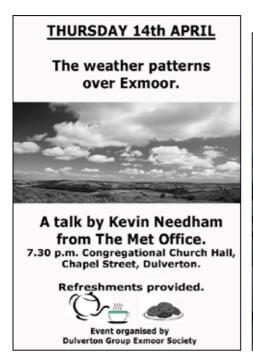

Don't forget that the clocks go forward one hour on the 27th March. There are Full Moons on 23rd March and 22nd April. Des Belam

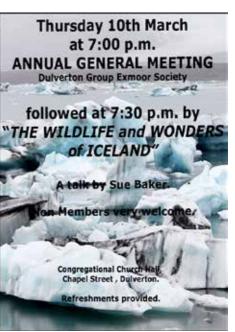

Wimbleball Lake March16

2015 has been a fantastic year for Wimbleball – we were awarded our 4th consecutive Green Tourism Business Scheme at level Gold in December, hosted Wimbleball Rowing Club Regatta in June, and the South Coast Rowing Championship Regatta in September, which saw 1500 rowers from as far afield as Shoreham compete for prizes. Conservation work centred around siting and experimenting with our new charcoal kiln. So far we've managed to create 6 large sacks of high quality charcoal to be sold to campers and visitors from our café. In August we hosted an evening bat walk in partnership with Devon and Somerset bat group with 18 people attending, and a large number of bats cooperating by putting on some fantastic aerial displays and entertaining us with their clicks, beeps and whirls heard through bat detectors. Another new development for 2016 - The Wimbleball café has just been taken on by Ellie Street and Michele Romaine, who are renaming it 'The Duck' – expect lots of delicious homemade food and drinks.

We are very much looking forward to the 2016 season, which also sees 2 new triathlon events being hosted at Wimbleball – time to get into training anyone?
